This is to advise you that I represent Dan Baumgartner who is listed on the Mennonite Abuse Prevention Website as a perpetrator of sexual abuse. You appear to have relied on allegations of individuals that he committed sexual abuse and they were victims. He has not been convicted of sexual abuse and there is no official determination that he committed sexual abuse. He denies any such allegation being made against him. Mr. Baumgartner would request that you remove his name from your list in that you are violating his privacy rights and civil rights.
