Hello my name is Nancy Jensen I am writing you because I want to make clear as a survivor of Kaufman house I do not want him release I want him to be locked up like he locked me and my friends up he locked my friends and myself up the house and the abuse lasted 20 years he has not even been in prison for that many years please hear my heart cry I understand that he is sick I understand that he is going to die soon and yet Barbara and Kevin didn't even live 15 years after they were out I know life is not fair I also know that justice happened when he was finally caught convicted and put in prison for a 30 year sentence for the crimes that he committed to me and my friends I ask you judge two please vindicate what we went through by keeping him in prison I have struggled even being out since 19 87 for 18 years after that I had to wait to be believed I had to wait 2 have my truth be spoken in court against this man it did not take away the pain and the struggle that I live with every day because of what this man did to me please do not let him out to die at home with his family a family who could not even have the tiniest compassion for their father's victims they would see him being out as some how victory somehow judgment somehow their dad wasn't a bad dad if he got out he had my friends locked up in a house for 20 years 20 years of abuse he's only being in prison for 14 going on 15 years my friends lived

in that house under his abuse for 20 years Kevin and Barb has died since being set free I speak for them and I speak for other victims of Kaufman do not let him out thank you
